I certify that all information furnished on this form is true and complete. I understand that anyone who furnishes false or misleading information on this form or who omits material or information requested on the form may be subject to criminal sanctions (including fines and imprisonment) and/or civil penalties (including multiple damages and civil penalties).

Instructions to Publishers

1. Complete and file one copy of this form with your postmaster on or before October 1, annually. Keep a copy of the completed form for your records.
2. Include in Items 10 and 11, in cases where the stockholder or security holder is a trustee, the name of the person or corporation for whom the trustee is acting. Also include the names and addresses of individuals who are stockholders who own or hold 1 percent or more of the total amount of bonds, mortgages, or other securities of the publishing corporation. In Item 11, if none, check box. Use blank sheets if more space is required.
3. Be sure to furnish all information called for in Item 15, regarding circulation. Free circulation must be shown in Item 15d, e, and f.
4. If the publication had second-class authorization as a general or requester publication, this Statement of Ownership, Management, and Circulation must be published; it must be printed in any issue after October, if the publication is not published during October.
5. In Item 18, indicate date of the issue in which this Statement of Ownership will be printed.
6. Item 17 must be signed.
- Failure to file or publish a statement of ownership may lead to suspension of second-class authorization.
